LETTER OF RECOGNITION

Dear Sirs,

It is my honor and great pleasure to, hereby, on my behalf of President of International Taekwon-Do Federation, a non-profit international organization seated in Vienna, Austria legally registered on the 28th April 1986 to the Federal Police Direction of Republic of Austria, with recorded number 301075445, to confirm you the official recognition that newly established International Taekwon-Do Federation-South Africa (ITFSA) on the 1st April 2013 with Jaren Phillips as its President is the only and officially recognized NGB empowered of representing all the legacy of original ITF Taekwon-Do handed over down by our beloved outstanding General. Choi Hong Hi. Founder and First President of this great ITF, in the whole territory of South Africa.

They, thus, have the authority and power to organize and supervise all activities of Taekwon-Do and so entitled to make use of ITF Logos, Techniques and Terminology of Taekwon-Do ITF legally protecting them on behalf of ITF from being stolen, abused and misused in legally abided territory of South Africa.

Availing myself of this opportunity, I would like to express my sincere and heartfelt thanks to those who sacrificed their all for this great event and invite all ITF NGBs around the world to express their full support and solidarity toward newly established ITFSA.

The ITF HQ and I, along with all Senior Grand Masters and all EB members reconfirm their strong belief and absolute confidence for ITFSA to never fail in its gigantic and responsible works aimed to promote the request and interests of all its members and bring substantial contributions to the development and consolidation of original ITF activities in South Africa as well as around all over the world.

**With best regards, I remain
Yours Sincerely**

Prof. Chang Ung, Ph.Doc.

President, International Taekwon-Do Federation

Member, International Olympic Committee

Board Member, International Olympic Truce Foundation

Member, IOC International Relations Commission
